In planting seeds and preparing for a spring and summer on its way, it has me wondering what God has planted and is working to bud in this new season before us. While we have named the pandemic time apart a place of frustration and seclusion, God continued to work in our congregation—again and again—pruning and preparing for new growth. The hardest part is waiting for the seed to release its hull and a new plant to break through the ground and rise.

Celebrating new life in Christ gives us the momentum to dream what this new life may look like in the context of the body that is Greensburg UMC. New ideas and estimates are underway to renew the Sanctuary, the current gymnasium, and even the courtyard and pavilion. With this physical change and update, this becomes a chance for the church to start dreaming and implementing ministry that impacts our community—to invite our neighbors to know Jesus Christ by engaging in acts of service. New or renewed ministries can be birthed to help transform our community into the ideal place to find connection and welcome.

Will you take the risk and start dreaming and wondering as we look at a new series on dreams and visions and their impact on God's people and the people around them? Starting April 11, we will begin our journey in listening, praying, and risking what God has in store for the people of GUMC and for the people in our communities surrounding us and the church building.

So, dream with me. Get lost in the wonder of new life. God has already planted what is needed for this to take root. All we do is listen, dream, and obey—again and again.

In the wondrous name of Christ.

Rev. Katie Osier

Special Music Needed

Now that our Traditional Service has returned to In-Person Worship, we are in need of Special Music for our service at 11:00. The choir will not be singing until at least the fall so we need soloists, duets, trios or instrumentalists to help us provide music for the service.

If you play an instrument, or would be willing to sing either as a soloist or with a small group, please contact our Choir Director Brian Lawson at brian.lawson@greensburgumc.net or call him at 330-256-3462. Your help and talents are greatly appreciated.

SCHOLARHIP GIVING

Thank you to all who have been generous in supporting the scholarship fund in the past. It has enabled us to give small awards to our graduating seniors and post high school students. Because of the extraordinary circumstances of the past year we have been unable to do any fund raising for this effort. Any contributions to further this mission would be greatly appreciated. Please mark your gift for "scholarships" so the office staff knows to direct your dollars to the correct place. And thank you again for your continued support!

Praise and Gratitude for Emma Nibling

Greensburg UMC wishes to thank Miss Emma Nibling for her service and leadership for the preschool students that have visited the church on Sunday mornings these past 2 years.

Emma has blessed these children with her humble and caring presence. She has also provided excellent teaching moments in person and online.

Emma has been accepted to the Nursing Program at Kent and has asked to step down to focus on her studies. She will truly be missed in the Preschool room on Sunday mornings, but continues to offer her heart and love for little people in the various ministries of the church.

The church will be honoring her service as Preschool Attendant on a Sunday to be determined.

CHILDREN'S MINISTRY

Once again, may we extend a HUGE thank you to Rev. Dave, Ms. Beth, and Ms. Amy for their tremendous work in film and fun for GUMC's Lent Event! If you missed it, check out the GUMC YouTube Channel, as the videos are still there. They offered great teaching, song, craft, and inspiration for this Lent! Thank you for being wonderful gifts for GUMC!
